- Communication Skills

TECH ENTHUSIASM

- Web Design
- Network Designing
- Graphic Design

PROFILE

Able to carry out any responsibility and duty with dedication and integrity while continuously seeking new knowledge in the modern technological world. Capable of overcoming challenges in today's competitive environment, with a strong willingness to explore innovative ideas, conduct new experiments, and adapt to emerging trends. Possess a growth mindset and be eager to collaborate, learn from experience, and contribute meaningfully to any team or project.

EXPERIENCE

Gamage Recruiter (Pvt) Ltd **2025.10.10 - 2026.04.10**
UI/UX Internship (06 Months)

EDUCATION

B.Sc. DEGREE IN INFORMATION TECHNOLOGY
Bachelor of Science in Information Technology Degree as an Undergraduate
SIBA Campus, Kandy

DIPLOMA IN INFORMATION TECHNOLOGY
Completed Diploma In Information Technology / MS Office, Designing, Programming and Web Designing
Diploma Level SUPERIOR A
SIBA Campus, Kandy GPA:4.0 / 4.0

DIPLOMA IN ENGLISH
Completed Diploma in English/Writing, Speaking, and Presentation Skills
Diploma Level SUPERIOR-A
SIBA Kandy Campus, Kandy GPA: 3.70 / 4.0

GCE Advanced level & GCE Ordinary Level
Year - 2018 & 2015
St' Sylvester's College, Kandy

TECHNICAL SKILLS

- **Designing Tools**: Figma, CorelDRAW
- **Programming Languages**: Python, PHP
- **Web Development**: Angular, Laravel, React
- **Database Management**: MySQL, MongoDB
- **Tools & Platforms**: XAMPP, Linux
- **Cloud Computing**: AWS
- **Libraries**: Bootstrap, Tkinter, Tailwind CSS
- **Other**: API development with Postman & Insomnia

Technical Skills

Figma
CorelDRAW
Photoshop
Adobe Illustrator
Canva

Web Development

Angular
Laravel
React
Node.js
PHP
Python
HTML
CSS

CERTIFICATIONS

- API with Postman
- Bhatkhande Music

ACEDAMIC PROJECTS

E-Learning Platform | Associated with SIBA Dip in IT
Role: Project Manager

Co-developed "Knowledge Hub" – a web-based E-learning platform with features like user registration, content publishing, payments, certification, and an AI-powered chatbot for user support.

Source Code: **github**
Technologies Used: Laravel, Tailwind CSS, JavaScript

Business Analytics Dashboard (Enterprise Application) | Associated with SIBA Dip in IT
Role: Individual Project

A Java-based web app for managing inventory and generating reports, with secure login for admins (full access) and users (view-only). Built using Servlets, JSP, MySQL, and PDF/Excel libraries.
Source Code: **github**
Technologies Used: JSP, Servlets, JavaBeans

Hotel Reservation System | Associated with SIBA Dip in IT
Role: Team Leader

Co-developed Hotel Reservation System with real-time booking, user accounts, role-based access, and secure data handling. Features include encryption, MFA, and future plans for payment and event booking.
Source Code: **github**
Technologies Used: PHP, JavaScript, MySQL

Inventory Management System
Role: Individual Project

A full-stack MERN (MongoDB, Express, React, Node.js) application designed for comprehensive inventory management, order processing, and business analytics. This project serves as a robust solution for businesses to track products, manage stock levels, and gain insights into sales performance through a dynamic dashboard.
Source Code: **github**
Technologies Used: Backend: Node.js, Express.js, MongoDB, Mongoose, JWT
Frontend :React, Axios, Tailwind CSS

ONGING PROJECTS

Object Detection System (Final Year Research Project)
Role: Individual Project

A Python-based Artificial Intelligence application designed for real-time object detection, recognition, and classification. This system leverages computer vision and deep learning techniques to accurately identify various objects within images , making it suitable for applications such as surveillance, autonomous navigation, and assistive technologies.

Technologies Used : Backend / Core: Python, OpenCV, TensorFlow/Keras, NumPy
Machine Learning Models: Convolutional Neural Networks (CNNs), Pre-trained Models (YOLO, SSD, Faster R-CNN)
Additional Tools: Matplotlib, Pandas, Scikit-learn

EXTRA CURRICULAR ACTIVITIES

- Team member of St' Sylvester's College Cricket team - All Island Division III Tournament
- Secretary of St' Sylvester's College History and Archaeology Society
- Member of St' Sylvester's College Sinhala Literature Society
- Member of the St' Sylvester's College Music Group

I hereby attest that the above information is true & correct to the best of my knowledge.
